

**PE AND SPORT PREMIUM 2016 - 2017**

Sport Premium funding comes directly into school and is based on the number of primary aged children between the ages of 5 and 11. A typical primary school with 250 primary aged pupils would receive £9,250 per year. Schools are free to pool resources to ensure the greatest impact.

Sports Premium is focused on improving the quality and breadth of PE and sporting provision for all pupils. The proposal includes recommendations to develop initial teacher training and continual professional development to make a sustained impact on the quality of physical education. A priority must be to develop the teaching skills of non-specialist teachers to create dynamic and enjoyable experiences for children.

**Sport Premium Allocation**

<b>Total Number of Pupils on Roll (January 2017)</b>	423
<b>Total Amount of Sports Premium Received</b>	£9,815

**Sport Premium Spending**

The Governors agree that the money must be used so that: all children benefit regardless of sporting ability; that the most able children are given the opportunity to compete in advanced tournaments; that staff have access to training opportunities and continued professional development; swimming is expanded in order to provide a comprehensive and high-quality service for more pupils.

The information below shows how we spent the sports funding during 2016-2017.

At St Catherine’s we have split up the funding by the three key areas for consideration; Physical Education, Healthy Active Lifestyles and Competitive Sport. We have decided to spend the Sport Premium Grant on the following:

<b>Physical Education: Raising standards of all our children in Physical Education</b>		
<b>Resource</b>	<b>Impact Group</b>	<b>Intended Outcomes</b>
All children in school receive equal opportunities	All	All children receive at least 2 hours of allocated PE lessons per week as well as other opportunities to be active.
High quality resources audited and replenished termly (where necessary)	All	To ensure staff have all the resources required to deliver high quality PE.

Swimming lessons	All	All pupils participate in swimming lessons in Y1, Y2, Y3 and Y4. Any pupils who do not achieve National Curriculum in swimming by the end of Y4 are targeted for additional swimming provision.
------------------	-----	---

Healthy Active Lifestyles: Ensuring all our children have access to regular exercise		
Resource	Impact Group	Intended Outcomes
Sports leaders	All	To facilitate activities at lunchtimes for all pupils. We have a highly successful lunchtime provision which is enhanced by the recruitment of these young Y5 sport leaders, who are trained by our PE Curriculum Specialists, to provide additional sporting opportunities for all pupils.
Health initiatives/programmes throughout the year	All	Participation in Sports Relief to participate in sport for a wider cause, and have an impact on our community.
Sports Gym on the school yard	All	A recent addition to our school grounds, to encourage active lifestyles. Timetabled for all children.
Targeted groups in school	Specific Groups	<p>We currently target SEN pupils to receive additional skills based provision, to develop their gross motor skills. These sessions are run twice a week by both of our PE Curriculum Specialists.</p> <p>We plan to target pupils who are 'overweight' who would not access any sport provision outside of the school day</p>

Competitive School Sport: Increasing pupils' participation in extra-curricular sport		
Resource	Impact Group	Intended Outcomes
Participation in Local Sports Events/Competitions	All	To increase competitive sport opportunities for children.
Development of local level competition where possible		School actively links with local schools where possible to support competition. Our PE Curriculum Specialists will lead on this across our locality.
Extra-curricular activities	All	All children have the opportunity to take part in a range of extra-curricular activities during and outside of school time to encourage active lifestyles. Our curriculum specialists deliver these sessions.

### **Additional Information**

At St Catherine's every pupil participates in at least the minimum 2 hours of physical activity per week. Pupils across Key Stage One and Two take part in Games, Gymnastics, Dance and Swimming lessons, planned and delivered by teachers and Physical Education Curriculum Specialists. Lessons are fun and challenging yet offer structure to provide progression for all pupils regardless of ability. Lessons provide a balance between healthy competition and skill acquisition, allowing for development of social and emotional skills such as teambuilding and problem solving, as well as widening their physical abilities.

### **Gymnastics & Dance**

In Key Stage One, pupils have been investigating a range of movements including rolls and jumps using different speed and levels. Pupils have learnt to use space safely working both on the floor, mats and on apparatus.

In Key Stage Two, pupils have been exercising balance and control through performing rolls and jumps and using different speed and levels. Pupils

have created sequences of controlled movement working both on the floor, mats and on apparatus.

Pupils across school have the chance to take part in creative dance lessons taught by a dance specialist.

### Games

Key Stage One pupils have been exploring boxes of equipment and learning to work and share. They have been developing their own game ideas and discovering different equipment.

Key Stage Two pupils have experienced a variety of different activities including football, basketball, handball, tag rugby, athletics, hockey, tri-golf, tennis, cricket and outdoor adventurous activity. Pupils have participated in lessons which follow a 4 part structure including warm up, skill acquisition, modified game and cool down, reminding them of why we take part in PE and its importance for our health. Y5 and Y6 are also leading part of the warm up to increase their knowledge of the importance of warming up. Lessons continually assess pupil progress and allow for flexibility throughout, ensuring all pupils are stretched and challenged.

SEN pupils across school have been involved in tailored sessions aiming to develop gross motor skills as well providing structured opportunities for pupils to learn social and emotional skills in a physical activity environment, such as turn-taking, sharing of equipment, communication and support.

### Swimming

Pupils at St Catherine's are fortunate in that they have access to high quality swimming lessons as a taster in Years 1 and 2, preparing them for the statutory school swim offer in KS2. Together this gives our pupils every chance to swim the required 25 metres by the time they complete year 4. Pupils who don't quite make 25m by the end of Y4 are also invited back in Y5 and Y6 to help them achieve 25m. Through the success of swimming 40% of Y3 have already achieved National Curriculum and 97% of Y4 passed national Curriculum with the national average being 48%. Also the success of the swim squad keeps improving with St Catherine's achieving most improved swim squad, moved up to the A league finishing 4<sup>th</sup>.

### Events and Competitions

Last year proved to be a very successful year for our pupils. We are very proud that 84% of pupils represented the school in sporting competition. The school entered many competitions including: dance, handball, football, basketball, cross country, netball, athletics, cricket, tag rugby, boccia and swimming gala's. This allowed more children to represent our school in sporting competition than ever before. Y5/6 girls achieving a brilliant 3rd

place in cross country. We actively promote our success through school newsletter and blogging on School website and through our school's twitter feed.

### **Partnership work**

St Catherine's is a valued member of the Arches School Sport Partnership and we work together with them to ensure our pupils access the range of sporting events and activities available to them.

Sheffield United Community Foundation, B-Braun (Sheffield Sharks) and Shiregreen Cricket Club have also provided our pupils with extra competitions, specialised PE lessons and lunchtime clubs.

### **Sports Leaders**

St Catherine's ran this programme and it gave Y5 pupils the chance to be Sport's Leaders. The children had to apply in writing and were trained so they could help KS1 pupils access sporting games at lunch times. They were also drafted in to help out with the nursery and foundation Sports Day. We are running the programme again this year with Y5 and have with training happening very soon. The programme has been reviewed and will be even stronger this year with better training and more responsibilities already in motion.

### **Extra-curricular clubs**

A range of after school clubs have been available for both key stage one and two pupils including tennis, cricket, multi-sports, fun fitness circuit training, tri-golf, gymnastics and dance. These have been well attended and have complimented the learning taking place in school PE lessons as well as building stronger foundations for pupils participating in partnership competitions and events.

### **Sports Day**

At St Catherine's we love to promote healthy competition. Sports Day is the big finale of Sports at St Catherine's. It involves all children from Y1 right through to Y6. Teams are given an adopted country for the event of which the children research and compete in the colours of the country. All events are chosen for all children to showcase their talents that they have learnt at their time at St Catherine's. All staff put on their trainers and helps their team through the event! It is a bright, joyful event to end our sporting school year of which everyone thoroughly enjoys. Nursery and Foundation have their own Sports Day supported by our Sports Leaders.

Throughout the year we piloted a class v class sporting competition where every pupil in KS2 represented their class and competed for the MUGA Champions trophy. This proved to be a success and gives all children an experience of sporting competition.

## Notre Dame Cluster of Schools, Sheffield

### 2016-2017 Sports Events

Event	Date	Venue	Children attending	Position
<b>AUTUMN TERM</b>				
Hallam FM Games	21 September 2016	EIS	10 x Y2 5 x boys and 5 x girls	6th

KS1 World Cup Football	Thursday 6th July	Concord	KS1 x10	Y2 Out

### **Future Plans**

We continually evaluate the impact of how we have used our Sport Premium allocation. If the impact is positive we continue to use the money to improve the quality of provision.

For 2017-2018, we plan to purchase additional resources (including new goal posts and basketball nets for the KS2 MUGA), to further enable all pupils to participate in high quality team games.

### **Summary**

The governors and leadership team of St Catherine's School will continue to review the impact of the Pupil Premium Grant annually to ensure the most effective use of expenditure in order to deliver our stated objectives. We are committed to ensuring that our disadvantaged pupils have the necessary provision and resources to succeed in attaining at least as well as other children by the time they leave the school.
